REAL ESTATE AND INSURANCE
PHILADELPHIA, MISS.

Dear Lammie;

Jimmie told me about
you being about to sell
your lands, and I was
glad to hear it. It is
like I have always told
you that you had better
take a little price for
your lands that pay
interest on them.

I will let mine go
too when you sell yours
for I need the money.
But dont sign any
option on the lands to
no one till you see Mr
Dees as it might get up
